As all these above details will help us to get proper information.

Also note we should receive the documents well in advance as soon as the vessel sails from load port with next 24-48 hours you have to send us the documents and don't have to wait till the last moment of vessel arrival date at destination. Any penalty in customs or port for late receiving on documents will be on consignee or your account.

Please confirm your understanding on above.

Thanks & Best Regards,
Shantaram Racha
